Château Pesquié is a family estate located in the south of the Rhône valley, at the southern foot of the Mont Ventoux. For three generations, the Chaudière Family, owner of the Château has kept the same objective: to harness the potential of the outstanding Ventoux terroir and to make extraordinary wines.

## WELCOME TO THE FOOT OF THE VENTOUX MOUNTAIN

### ORGANIC & BIODYNAMIC

From sustainable farming, Château Pesquié has moved to organic in the 2000's. First plots certified organic ( Ecocert) in 2007. Biodynamic practices start in 2015 and are validated in the vineyard by Demeter in 2019.

### A QUESTION OF ALTITUDE

A family of pioneers has lived for three generations at the foot of Mont Ventoux. The Chaudière family signature is the seal of winegrowers who have never rested on their laurels. With their sights firmly set on the summits and their thirst for discovery, they have become masters in the art of revealing the freshness and finesse of terroirs at altitude.
